# GoToConnect
iOS and Android

GoToConnect, by LogMeIn, Inc, allows you to work away from your office by connecting up to five devices with your office phone. GoToConnect is comprised of a desktop application for use on your laptop and mobile apps for iOS and Android devices. To use GoToConnect, you first need to register with Jive. If you have already registered and created Jive login credentials, skip to step 3.

1. Creating your Jive login credential. Clicking the link below will bring you to the Jive registration and sign-in page.
   a   http://my.jive.com/

2. If you have already setup a Jive account sign in now, then skip to step 3. If you haven't registered with Jive using your @rbc.edu email click the "Sign up" link and move to the next step.
   a   Remember this login information; you will use this same information later to activate.

3. To install GoToConnect on your iOS or Android device(s), use your mobile device to navigate to the respective app store.
   a   Search for GoToConnect by the publisher LogMeIn, Inc.
   b   The icon looks like the following:

4. Download the app
5. Run the app and you will be prompted for your login credentials created earlier.
